Hi Lara,

To login, go to https://apps1.mo.gov/A2A/Account/Login.aspx. Your user name is PenningtonL. Your password is the temporary password from the email below. I would suggest copying it and pasting it to make sure you have it in correctly. Also, beware of accidentally copying extra spaces.

Once you click "Log in" you will be taken to a password reset page. Again, you will need to enter the temporary password below as the "Old password." Your new password can be whatever you like, so long as it fits the password requirements (I believe it must be at least 7 characters and contain a capital letter, a number, and a non-alphanumeric such as * or #).

Let me know if you have any trouble getting into the system.
